## BOOKING CONDITIONS

1. **Deposit** All booking applications must be accompanied by a deposit of £50 per week for each house or flat required. The deposit is accepted as part payment and the balance should be paid not less than 42 days (6 weeks) before the starting date of the holiday. The deposit is normally non-returnable, although it will be refunded if the accommodation is not available for the dates requested on the booking form.
2. **Reservation** Reservation is subject to the accommodation being available when the completed booking form and deposit is received.
3. **Non payment of full charge** None receipt of the full accommodation charged at the time specified in Condition 1 above will be treated as a cancellation of reservation and the deposit will be forfeited. The booking will then be subject to the cancellation procedure outlined in Condition 4 where the whole cost of the holiday accommodation will become due, unless we are able to re-let for the same period at an equivalent rate.
4. **Cancellation** Should a client wish to cancel a booking, notice should be given in writing by Recorded Delivery. Provided the cancellation is received not less than 42 days before the start of the holiday, only the deposit will be forfeited. If the notice is received less than 42 days before the starting date of the holiday and the accommodation is re-let, only the deposit will be forfeited. Otherwise you will be liable to pay the total cost of the booking. You are advised to insure against financial loss owing to cancellation of the booking due to sickness. The cover can be obtained from most insurance companies at normal rates.
5. **Arrival and departure** Holidays are booked from Saturday to Saturday (any number of weeks). Takeover time is not before 4 p.m. unless by prior arrangement. Please vacate your accommodation by 10 a.m. and leave it clean and tidy.
6. **Maximum number of occupants** Unless prior authority has been received at the time of booking, the number of people occupying the accommodation must not exceed the number for which beds are provided.
7. **Pets** A maximum of two pets are permitted if kept under proper control. They are not allowed on furniture, and owners are asked to remove all traces of dog hairs etc. before leaving. We reserve the right to charge for any cleaning of the premises made necessary by the presence of your pets. Please indicate on the Booking Form if you are bringing a pet. Dog owners are strongly advised to keep their pets under strict control and are reminded that farmers have the right to shoot dogs worrying their sheep.
8. **Breakages** Any damage caused to the property or any equipment lost, damaged or broken during the occupancy should be reported and paid for.
9. **Unsuitable hirers** The owners have a right to refuse to hand over holiday accommodation to any person who, in their opinion, is unsuitable to take charge. In this case, hire terms will be refunded in full.

10. **Late Arrivals** If you might arrive after 7 p.m. please let us know.  
The approximate driving time from Glasgow is 3 hours.
11. **Problems** – let's hope none. However, if you have any, please let us know as soon as possible to allow us to deal with them quickly, and not let anything spoil your holiday.
